Bachelor of Nursing Science Curriculum Reviewed

Muni Receives Visiting Lecturer

40 New Staff Recruited

Midterm Strategic Plan Review Workshop

Bachelor of Nursing Science Curriculum Reviewed

Professor Janet Gross and Staff of Muni University Faculty of Health Science reviewed the Bachelor of Nursing Science Curriculum on Thursday 9th and Friday 10th January 2020 at the University Council Hall.

Professor Janet Gross was outsourced by Seed Global Health as a consultant to assist the Faculty of Health Science through the curriculum review process. Muni University is in partnership with Arua Regional Referral Hospital (ARRH) and Seed Global Health to provide patient centred care at ARRH and also ensure Nurses graduating from Muni University possess specialised skills in maternal and child health as well as emergency care nursing.

One of the activities under this partnership is to review the curriculum in order to achieve that aim. Dr. Janet Gross has been working with Muni University on ground and remotely for five years. She is a Senior Nursing Educator, Professor Emeriti of Morehead State University, USA. She has also previously served as a response Peace Corp Volunteer in Uganda.

Office of DoS and Library Receive Vehicles

The office of the Dean of Students and the Librarian have received vehicles to support their operations. The Dean Of Students Miss Amandru Stella Wawa and the University Librarian Dr. Frederick Mukungu received the keys to the vehicles from the Deputy University Secretary Mr. Maxwell Abok.

The two Officers expressed gratitude to the University Management for this boost which had been highly needed and promised to manage and maintain the vehicles well.

The University Engineer Mr. Aluonzi Geofrey asked the drivers of the newly acquired vehicles to consider them

as their offices and handle them well and ensure that the vehicles are in good condition all the time.

Muni University Receives Visiting Lecturer

Muni University has received yet another Visiting Lecturer-Adrienne White, who will be Lecturing in the Nursing Science Department.

Adrienne White, is a Women's Health Nurse Practitioner from the United States and will be at the University till August 2020.

She was officially welcomed by the University Vice Chancellor, Professor Christine Dranzoo and a Team of University Staff on 21st January 2020. The Vice Chancellor expressed gratitude to Seed Global Health for all the resources they have injected in support of the university.

Muni University Recruits New Staff

40 staff have been recruited 25 of whom are teaching Staff in the various Faculties of Science, TechnoScience, Management Science, Agriculture and Education.

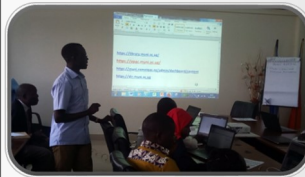

15 of the new recruits are Non-Teaching Staff.

Midterm Strategic Plan Review

The University Management held a midterm review of the performance of the Strategic Plan on 15th January 2020 at the University Council Hall.

Library Training Held

The library organised a one-day training workshop on Muni University Library Systems and Procedures.

The workshop that took place on Thursday January 23, 2020 at the University Council Hall was meant to introduce the newly recruited Academic Staff and re-orient the old Academic Staff to Muni University Library services, procedures and resources.

Students Tour Muni University

Students of Adusi Child Development Centre Zombo District toured Muni University on Friday 31st January 2020. They were provided career guidance by the Academic Registrar's Department and the communications Unit. The Deputy Academic Registrar Mr. Nicholas Tumwebaze, challenged the Students to have a qualification to be able to fit in the knowledge economy. He urged them to have a dream, ambition and work hard to achieve that dream. After challenging them to take advantage of the proximity of the university and the high quality of education provided, many promised to join Muni university for their higher education.

OUR MISSION

To provide quality education, generate knowledge, promote innovations and community empowerment for transformation.
