Muni University to host Uganda-Germany Symposium

Muni University is set to host the Uganda- Germany Investment Symposium that will foresee 800 Guests in attendance, 200 from Germany and 600 from within the country and the neighboring South Sudan and DR Congo.

The Symposium organized by Operation Wealth creation (OWC) President's office in partnership with Uganda Investment Authority (UIA), and convened by Gen (Rtd) Caleb Akandwanaho SS "Oriba", Chief Coordinator, OWC President's Office, will run from 24th to 26th July 2019.

The Symposium themed ***"Transformation through regional integration, investment and infrastructure development—Pan African peace building thru holistic development of Africa's Upper Nile Valley" (N Uganda, NE DRC and S Sudan)"***.

Is among other objectives, aimed at unleashing investment, innovations, commercialization, business development and trade opportunities from Uganda/Africa-Germany/European Union (EU) Academia-Industry/Private Sector-Government Partnerships, and enabling Ugandan/African Private Sector to tap into Germany's €1 Billion Africa Investment Fund announced by German Chancellor Angela Merkel on 30th October 2018

H.E President Yoweri K. Museveni is proposed to be the Guest of Honor and Main Keynote Speaker in the event that will be climaxed by the proposed Uganda-DRC-South Sudan Heads of State SUMMIT hosted by the President of the Republic of Uganda.

New Guild inaugurated.

Stakeholders Workshop for Curriculum review of the Bachelor of Medicine and Bachelor of Surgery.

Various stake holder's majority being medics converged at Muni University on

Wednesday 3rd April 2019 to review the curriculum developed for Bachelor of Medicine and Bachelor of Surgery. Professor Okulu Joel of National Medical Council and Dr.Aine Robert of National Council for Higher Education

provided very rich guidance to the University Management on what requirements should be put in place before the School of Medicine can commence. Bachelor of Medicine and Bachelor of Surgery is one of the planned future programmes hence the review is one of the required procedures.

University Staff Sensitised on Cross Cutting Issues.

Muni University Staff on Friday 4th April 2019 were sensitised on cross cutting issues that included HIV/AIDS and HBV, Gender Mainstreaming and Special Needs. Gender mainstreaming is a soft component under the African

Development Bank Higher Education Science and Education (ADB-HEST) project.
